

# BTEC National Sport

Course leader: Mr S Finlan

## Why study BTEC Sport?

This is a practical course for students who are able to demonstrate a high level of knowledge and understanding of the different areas of sport, as well as the ability to lead others.

## What skills will I gain from studying Sport?

You will have the opportunity to develop a range of skills and techniques, personal skills and attitudes essential for successful performance in working life.

## How will I be assessed?

You will be assessed through a portfolio of work as well as observations of your practical ability.

There are no written examinations.

## Where can BTEC Sport lead?

BTEC Sport gives you the opportunity to gain a nationally recognised qualification to enter employment in the sport sector or progress to higher education.

## What subjects link well with Sport?

- Biology
- Psychology
- Business Studies

## What will I study?

Students taking the National Award will study 6 units over 2 years. These are: The Body in Action, Health and Safety in Sport, Training and Fitness for Sport, Leadership in Sport, Working with Children and Practical Sport.

Students taking the National Certificate will study 12 units over 2 years. As well as the 6 National Award units you will also take the following: Fitness Testing for Sport and Exercise, Sports Coaching, Instructing Physical Activity and Exercise, Sports Development, rules, Regulations and Officiating in Sport and Sports Injuries.
